Modern-day troubadours Suzanne and Jim have delighted audiences across the U.S., Canada and Europe for nearly 25 years with their skills on the 5-string banjo, acoustic guitar, flute, and courtship dulcimer as well as carefully crafted vocals and gentle, home-spun humor.

Suzanne and Jim are among the rare musical artists who explore new directions by looking back into the roots of Americana music and lore. The husband and wife team blend their voices and instruments in songs of an earlier time. The lively stories told by these old songs (and the stories behind the songs) not only invite insight into who we are, but a rollicking good time as well.

From the first note to the last applause you won't want to miss this memorable entertainment experience.
